

## **Updates from Process Server Meeting January 2010**

- Process Server Study Guides have been updated and are now available. They may be purchased at the Law Library or the Customer Service Center for \$5.30.
- At the direction of the presiding judge with oversight of the process server functions, the requirement for the continuing education forms to be signed by Kimberly Siddall at the Supreme Court, Certification & Licensing Division will continue. This is part of the checks and balances to assure that process servers are receiving accredited continuing education from viable sources that will assist them in their career.
